PRODUCT CATALOG

Make Your Events Sound Amazing

www.vamav.com

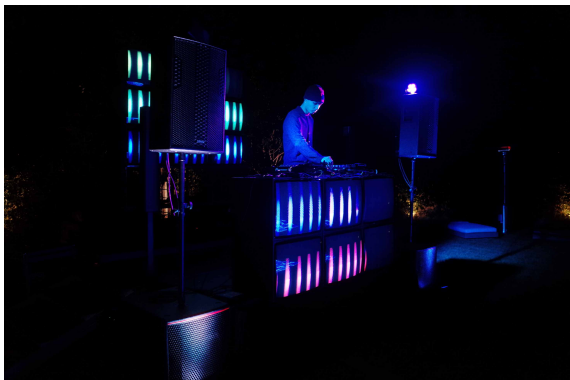

VAMAV Inc is a professional audio equipment manufacturer. Building on our 15-year heritage and strong market presence in Mexico, we are dedicated to delivering high-quality professional audio solutions at competitive prices.

Our new processing plant currently under construction in Ningbo, China.

Our factory is equipped with modern production lines.

"We recently did a private event which featured the Dual Columns, 15" PA, 18" Subs... We've been getting some great feedback, especially on the Dual Column system specifically."

ABOUT US

Born in the vibrant landscapes of Mexico, the VAMAV brand has a rich history spanning over a decade, during which we have consistently brought innovation and surprises to the music industry in Mexico.

Today, VAMAV has firmly planted its feet in Los Angeles, to start a new chapter and showcase the vitality and vision of our brand.

At VAMAV, we are more than just a professional audio equipment company - we are pioneers of the future of music and sound experiences. Our mission has always been to bring high-quality, high-performance audio products to music enthusiasts and professionals worldwide with innovative technology and superior design.
